FOR THE FIRST TIME WITH SELETTI,  
IMAGINING A COLLECTION THAT IS  
AN EXPLICIT DECLARATION OF LOVE  
FOR PIXEL ART.**

A collection of four cute mirrors with coloured frames that evoke the pop imagery of the classic videogames that were the stars of the 1980s and 1990s. Pixel Mirror represents a wonderful escape into the wonderful memories of summers spent in arcades.

SELETTI

Sono tante le anime SELETTI accumulate da un unico filo conduttore: l'ecletticismo.

Dal 1964 arte, design, divertimento e originalità in Seletti sono sinonimi di eccellenza. Un viaggio irriverente che sposta il proprio limite verso nuovi continenti della sperimentazione.

SELETTI è avanguardia con un contemporaneo gusto retrò. La classe del passato condita di eleganza future like.

SELETTI has many souls, all with the same fil rouge: eclecticism. Since 1964, art, design, fun and creativity have been synonyms of excellence for Seletti.  
An irreverent journey that experiences new worlds.

SELETTI is pure avantgarde with a contemporary, old-fashioned taste. Class from the past and future-like elegance.
